Our Ref: Cancun IMPA Conference - rescheduled

Date: 24th June 2020

IMPA Notice No 943

Dear Colleagues,

Further to IMPA Notice 942, we would like to inform you that due to the COVID-19 pandemic and subsequent logistical difficulties, the Conference has been rescheduled to the week 23-29 May 2021, with the welcome reception taking place on Sunday 23rd May 2021.

The registrations and hotel reservations made to date will be transferred to these new dates, without cost to delegates, by the local event organizers in Mexico without participants having to contact them.

Further information regarding new registrations will be posted on the IMPA website as it becomes available.

We apologise for the inconvenience but know you will appreciate the reasons.

We would also like to thank our hosts for all the effort they have made over this difficult time.

With best wishes

Nick Cutmore
Secretary General
International Maritime Pilots' Association
