IMPA NOTICE NO 932

Dear Colleagues

IMPA Guidance on MPX

Last month at its Executive meeting, the IMPA Executive approved the text of "IMPA Guidance on the Master-Pilot Exchange". The document can be viewed on the IMPA website under "IMPA Policies". Some hard copies are available from the office upon request. It should be noted that IMPA consider this a "living document", capable of amendment. It is IMPA's intention to review it after this issue and consider its reception by the membership.

Yours sincerely

Nick Cutmore
Secretary General
