Our Ref: IMPA 25th Conference - Cancun

Date: 29 December 2020

IMPA Notice No 949

Dear Colleagues

At the December 2020 meeting the IMPA Executives resolved to hold its delayed Cancun Conference and General Meeting from 7th to 13th November 2021 at the same venue as previously intended, the Paradisus Hotel, Cancun, Mexico.

Full details will be posted on the IMPA website shortly.

The Executive also discussed the effect of this delay on the election process as set out in IMPA's Constitution. Currently only one Vice President will be over-running his term of office in 2021. However, the Executive were conscious of the problem that would arise in 2022 when the other six Executives' terms of office would expire and there will be no General Meeting. Therefore, the Executive have resolved to all step down in Cancun where elections for all post will be held. The Election will be for 2- and 4-year terms, according to the number of votes cast, in order to return the Constitution's provisions. " Members are free to comment to the Executive on this plan"

A circular on the elections will be issued in good time ahead of the Conference.

Nick Cutmore
Secretary General
