Subject: MAERSK YANGTZE - SYDNEY (BOTANY)

Dear Ladies and Gentlemen,
Good day.

Yesterday, 13.01.2019, our vessel M/V Maersk Yangtze (Container) - departed from Fremantle and we are proceeding now to Tanjung Pelepas (Malaysia). Thereby we complete another Australia coast trip on our Boomerang Line.

Taking opportunity of few days at sea on behalf of entire crew we would like to thank you for your gift - received from Mr. Michael Kelly, our arrival Pilot to Botany Bay on 28.12.2018.

Your gift is priceless for us, for all those who are far away from their homes and families especially during wonderful festive season, Christmas and New Year's Eve.

We would like to thanks to all persons who contribute to this beautiful idea, devote their money and time to prepare this lovely and sweet gifts, and please receive from all of us wishes "Happy and prosperous New Year 2019!"

Kind Regards,
Capt. MOSIEJCZUK Boguslaw R.
